LESSONS IN COMPREHENSION

An Electronic Version of Frank Serafini's bestselling Professional Development book from Heinemann.com

Professional Development - Anytime, Anywhere, Throughout the Year

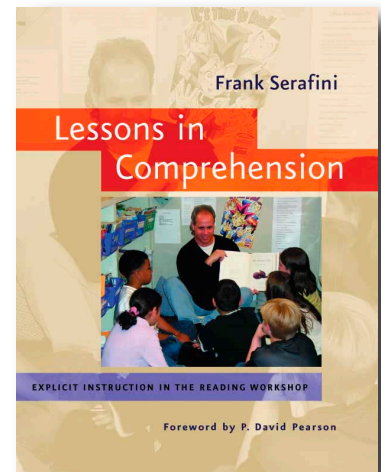

Includes Video Clips of Classroom Teachers Demonstrating Lessons in Comprehension in Intermediate Grade Classrooms!

This E-Book utilizes cutting edge technology to provide high quality video images and easy to navigate formats for teachers to access the lessons and workshop information from any computer with a DVD reader.

The E-Book includes 13 modeled Lessons in Comprehension, and video clips of workshop sessions featuring Dr. Frank Serafini. Along with each lesson, Dr. Serafini interviews each teacher, and you are privy to their conversations as they discuss the lesson and offer suggestions for your own classroom instruction.

In addition, through personal interviews you will get to hear Dr. Serafini's latest thoughts on an array of literacy educational topics.

Teachers will find this E-Book easy to use and filled with valuable teaching tips and modeled lessons designed to improve the quality of their teaching.
